

40-Pin Single Row Header Product ID: 4551-04001

Overview

This 40-pin single row header can be broken into smaller pieces to create custom headers for projects. Create 2-pin and 3-pin headers for interfacing or 3-pin headers with a jumper block (#452-00009) to create a selection jumper.

Key Features:

- Durable
- Great for through-hole applications
- Easy to cut or snap to desired length
